KVIC commemorates Gandhi Jayanti by installing charkha at Central Office, Mumbai

Khadi & Village Industries Commission(KVIC) commemorated Mahatma Gandhi's birth anniversary by installing a 3.5 feet steel Charkha at its Mumbai office premises.

KVIC Chairman Shri Vinai Kumar Saxena unveiled the Charkha through web-conferencing

and in his address during the occasion he said “This journey of Charkha is a symbol of India’s Swadeshi Movement, journey towards Self-reliance and economic freedom and it is indeed a proud moment for KVIC to further this movement. He added that it is the dream and vision of our Prime Minister Shri Narendra Modi to take this tool of warp and weft of our social fabric at global level.

Following our PMs vision, KVIC has been taking up continuous efforts to uplift the lives of the

downtrodden and light a candle in the house of poorest of the poor with its schemes and programmes especially in the COVID- 19period .KVIC has played a strong role in building the Nation, and this is also reflected in the leap growth of 6.28% to 28% in past 08 years which can be marked as the glorious period in empowering the Khadi and Village Industries artisans. Once again installation of Charkha in the KVIC, Mumbai is a tribute to our artisans who have dedicated their life in following legacy set by Gandhiji.

It may be noted that in the last four years, the KVIC had installed grand Charkhas across the nation at Indira Gandhi International Airport, New Delhi which is the worlds largest Charkha, Grand Steel Charkha at Rajiv Chowk in Connaught Place, Steel Charkha in Charkha Park – located in front of Gandhi Museum at Motihari, and steel Charkha at the Sabarmati Riverfront to remind the people about the importance of Charkha in our freedom struggle.

Earlier, on 1st October 2020, on the eve of birth anniversary of Mahatma Gandhi, Chairman KVIC in association with CEO KVIC launched 150 activities of Khadi and Village Industries across the Nation, which includes inauguration of Sales outlets/worksheds, training on potters wheels, distribution of bee boxes/charkhasto the artisans, inauguration of SFURTI and PMEGP units through videoconferencing. He mentioned that the programs aimed at creating sustainable local employment and making artisans Aatmanirbhar.

KVIC Launches Unique Khadi Footwear

Targets Rs 5000 Crore Business

Now feel the fineness of handcrafted Khadi fabric in the footwear. Minister for MSME, Shri Nitin Gadkari on 21st October, 2020 launched India's first-ever high quality Khadi Fabric Footwear, designed by Khadi and Village Industries Commission (KVIC).

These footwear are made of Khadi fabric like Silk, Cotton and Wool. Shri Gadkari also launched the online sale of Khadi footwear through KVIC's e-portal

www.khadiindia.gov.in. Shri Gadkari heaped praises on Khadi fabric footwear saying such unique products had high potential of capturing the international market. At the same time, he said, Khadi fabric footwear would create additional employment and higher income for our artisans.

“Khadi footwear is a unique product. International quality and use of fine fabric like Patola Silk, Banarasi Silk, Cotton, Denim would attract the youngsters who can purchase it online. These footwear are cost-effective,” Shri Gadkari said while also urging the KVIC to develop other leather accessories like ladies' handbags, purses, wallet in handcrafted Khadi

fabric that has a huge potential in foreign markets. “By developing and marketing such products overseas, Khadi India can capture a market worth Rs 5000 crore,” the MSME Minister said.

Hon’ble Minister of State for MSME, Shri Pratap Chandra Sarangi said the Khadi fabric footwear is not only environment-friendly and skin-friendly but it reflects the hard work of Khadi artisans that has been put in to make fabric for these footwear. “I congratulate KVIC for developing Khadi fabric footwear according to the global taste. I am sure by occupying a major share in the footwear industry, Khadi fabric footwear will help in reviving the country’s economy,” Shri Sarangi said.

To begin with, the footwear have been launched in 15 designs for ladies and 10 designs for men. Exquisite Khadi products like Patola Silk of Gujarat, Banarasi Silk, Madhubani-printed Silk of Bihar, Khadi Denim, Tussar Silk, Matka - Katia Silk, a variety of Cotton fabric, Tweed Wool and Khadi Poly Vastra have been used to make these footwear unique and trendy. Available in a wide range of designs, colors and prints, these footwear have been designed to suit clothing for all purposes - formal, casual and festive occasions. The Khadi footwear price ranges from Rs 1100 to Rs 3300 per pair.

KVIC Chairman Shri Vinai Kumar Saxena said Venturing into new segments, tapping new markets and diversifying the product range, as envisaged by the Hon’ble Prime Minister, have been the mantra for Khadi’s stupendous success in the last six years.

“The idea behind launching Khadi Fabric Footwear was to tap the international market where a large section of international consumers are increasingly going vegan and hence, Khadi will become a preferred choice of this segment. “Khadi fabric footwear is a small step for people, but it will be a giant leap for our Khadi artisans. Using fine fabric like Cotton, Silk and Wool in footwear will lead to higher production of fabric by artisans as well as increase in its consumption. This will ultimately create additional employment and higher income for Khadi artisans,” Saxena said. The size of Indian footwear industry is approx Rs 50,000 crore which includes exports worth nearly Rs 18,000 crore. Saxena said our initial target is to capture at least 2% of this Industry that is estimated to be around Rs 1000 crore.

Incidentally, the idea behind developing the Khadi fabric footwear also coincides with the Hon’ble Prime Minister’s vision of “Local to Global”. Earlier, KVIC had successfully launched its first-ever Khadi wrist watch in association with Titan which has been a trend-setter.

Minister MSME, distributes Mobile Khadi Selling Units to Divyang People

A noble initiative of associating Divyang people with Aatmanirbhar Bharat Abhiyan was launched by Hon'ble Minister of MSME Shri Nitin Gadkari with distribution of mobile Khadi selling units in his Parliamentary Constituency of Nagpur on Gandhi Jayanti on 2nd October.

Shri Gadkari distributed E-rickshaws to 5 divyang people through video-conference. These beneficiaries will be able to sell various Khadi products like Khadi fabric, readymade clothes, food items, food spices and other locally made products in nearby villages. Another 5 mobile Khadi selling units will be distributed in the next few days.

Shri Gadkari lauded the initiative of KVIC saying this would empower the Divyang people by creating sustainable livelihood opportunities. At the same time, he said, this will increase the sale of Khadi and thus prompt higher production by Khadi artisans. He said efforts will be made to distribute at least 500 such mobile selling units to divyang people in every district of India.

“This is the first-of-its-kind initiative in the country by KVIC. With these mobile selling units, our Divyang brothers will be able to earn a respectable and sustainable livelihood. As they will go to different villages selling Khadi products, it will also increase the reach of Khadi to a larger population,” Shri Gadkari said.

In another initiative that will create local employment to Khadi Silk artisans, Hon'ble Minister of State for MSME, Shri Pratap Chandra Sarangi laid the foundation of a Silk Production cum Training Center at Choudwar in Odisha. This is the first such unit in the state that will produce high quality Tussar Silk yarn.

On this occasion, Shri Sarangi said this was a major step towards empowering the local artisans and increasing the silk production in Odisha. He said Odisha is known for producing high quality Silk; however, for want of a local Silk production and training center, the raw material had to be procured from outside. “This will not only be helpful in training our artisans but create sustainable employment too,” Shri Sarangi said.

KVIC Chairman Shri Vinai Kumar Saxena, who also joined the event through video-conference, said the Silk production cum training unit will be a big boost to the Silk activities in the state and assured that the unit will start functioning in the next two to three months.

Union MSME Minister distributes electric potter wheels to 100 potter families in Maharashtra

100 potters families in Nanded and Parbhani districts of Maharashtra took a leap towards empowerment with Kumhar Sashaktikaran Yojana of Khadi and Village Industries Commission (KVIC) on 28th October, 2020.

Hon'ble Minister for MSME, Shri Nitin Gadkari, through video-conference, distributed electric potter wheels and other modern equipment to 100 potters families who have been given 10-day training by KVIC.

The potters belong to 15 villages - 10 villages in Nanded and 5 villages in Parbhani districts - who were distributed the pottery equipment. The distribution of equipment will benefit at least 400 members of the community by

increasing their productivity and their income, which is the dream of Hon'ble Prime Minister Shri Narendra Modi.

Shri Gadkari lauded the Kumhar Sashaktikaran Yojana of KVIC saying this was the first-of-its-kind initiative taken since independence to strengthen and improve the living of potters in

Stone Laid For Odisha's First Tussar Silk Yarn Production Unit In Cuttack

Shri Pratap Chand Sarangi MOS for MSME to lay foundation of Odisha's first Tussar Silk Production cum Training Center at Choudwar. This unit will provide local raw material for Silk industry in Odisha, create employment and empower artisans.

Union Minister of State for MSME Pratap Chandra Sarangi laid the foundation stone of a Silk Production cum Training Centre at Choudwar in the district on the occasion of Gandhi Jayanti on 2nd October.

Speaking on the occasion, Shri Sarangi said Odisha is known for producing high quality silk. But, the raw material has to be procured from outside due to lack of a local silk production unit. This gap will be filled up after the centre comes up, he added.

Besides, it will lead to empowerment of the

local artisans. This is the first such unit in the State that will produce high quality Tussar silk yarn.

“Initially, the manufacturing unit will provide employment to around 40 people. In next one year, we are planning to increase production capacity which could generate employment for around 500 people,” Shri Sarangi said.

KVIC Chairman Shri Vinai Kumar Saxena, who attended the event through video-conference, assured that the unit will start functioning in two to three months.

**150** YEARS

KVIC celebrates 50 years of Gandhi Ji to empower artisans

Organizes 150 programmes

A series of 150 mega events across the country and floral tributes marked the celebration of glorious 150 years of the Father of the Nation Mahatma Gandhi by Khadi and Village Industries Commission (KVIC).

On 1st October 2020, the eve of Gandhi Jayanti, KVIC Chairman Shri Vinai Kumar Saxena inaugurated 150 events, the first ever exercise of this magnitude in the country by KVIC, to celebrate Gandhi Jayanti. North Eastern States like Assam, Meghalaya, Tripura and Manipur and other states like Himachal Pradesh, Uttar Pradesh, Madhya Pradesh, Tamil Nadu, Kerala, West Bengal, Jammu & Kashmir and Gujarat led the country with the highest number of programs for artisans' empowerment.

The ambitious Kumhar Sashaktikaran Yojana of KVIC, for the first time, reached the West Garo Hills of Meghalaya where training for 40 potter families began at Phulbari Village on Thursday. In total, 10 events were organized in the North Eastern states that also include readymade garments units, jewellery production unit and inauguration of Khadi sales emporium in different states.

As many as 41 new Khadi sales outlets, 27 ew manufacturing units under PMEGP and 14 new work sheds and common facility centers were inaugurated across the country. These include 8

new sales outlets and 4 new work sheds in Varanasi. At 10 different places, new model charkha were distributed to Khadi artisans. These new facilities will go a long way in increasing artisans' productivity and their income. Several programs under Honey Mission, Kumhar Sashaktikaran Yojana and a number of manufacturing units under flagship scheme PMEGP were also inaugurated on Thursday.

KVIC Chairman said the programs aim at creating sustainable local employment and making artisans Aatmanirbhar. "Mahatma Gandhi always believed that rural resurgence was the key to country's development. This has also been the vision of the Hon'ble Prime Minister Shri Narendra Modi. The initiatives of KVIC essentially aim at empowering farmers, women and unemployed youths. Creating livelihood opportunities, increasing local production and providing new marketing platforms to Khadi institutions will pave the way for "Aatmanirbhar Bharat"," Saxena said.

On this occasion, some of the successful

entrepreneurs under PMEGP also expanded their activities with support of KVIC. This includes a woman entrepreneur in Meerut in Uttar Pradesh who started stitching activities with a loan of Rs 16 lakh four years back, has taken a second dose of loan of Rs one crore to start a full-fledged home furnishing manufacturing center providing employment to 60 persons. Similarly, an aluminum utensils manufacturing unit in Tikamgarh in Madhya Pradesh has been granted a second dose of loan of Rs 60 lakh to expand the production capacity providing employment to 55 persons .

In Pampore in Jammu & Kashmir, KVIC launched the training of artisans on Crewel and Sozni embroidery and weaving of shawl. Similarly, in Himachal Pradesh, manufacturing units of disposable plates, wooden furniture and a boutique were inaugurated. In West Bengal,

10 Khadi Sale outlets and 3 new common facility centers were inaugurated.

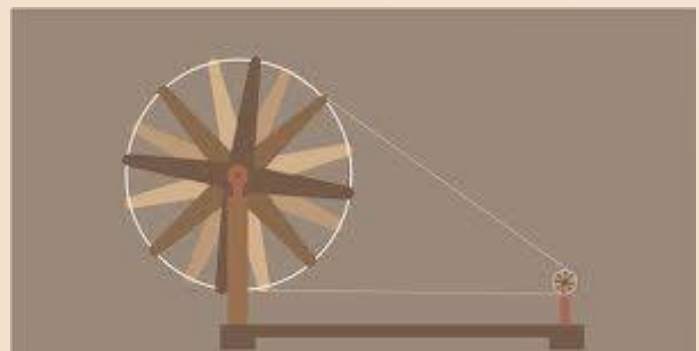

In Kerala's Payyannur, a design clinic and Online Shopping portal was inaugurated while in Kottiyam, charkha were distributed to Divyang people. Uttar Pradesh too organized several programs for inauguration of manufacturing units of cement blocks, detergent powder, non-women bags, automobile workshop and beauty parlor under PMEGP. Furniture manufacturing unit and beekeeping training were launched in Uttarakhand.

Starting October 2, KVIC has announced the customary annual sale of 20% on all Khadi and village industry products. The discount can also be availed online at <http://www.kviconline.gov.in/khadimask> from the midnight of October 1 & 2.

On completion of 5 momentous years

KVIC Felicitates Chairman, KVIC

Shri Vinai Kumar Saxena was appointed the Chairman of Khadi and Village Industries Commission in October 2015. On completion of his 5 momentous years as Chairman on 27th October 2020 a felicitation programme was organized in Central Office KVIC in his honour.

On this occasion KVIC released a souvenir, dedicated an *Abhinandan patra* and an AV film describing his remarkable contribution which led to a paradigm shift in the work culture of the Organisation which has ultimately put Khadi in a position where it can propel country's growth engine.

In his overwhelmed address Chairman KVIC expressed his obligations to the KVIC team for standing as strong support in fulfilling his visions. “Although the beginning was tough as

Gandhiji promoted Khadi and Village Industries, which can be taken ahead by KVIC only'. In the 5years period KVIC team took it as mission and gave it a well-deserved shape. The team spirit is high and officers take every work as challenge. This spirit has made it a most important Organisation”, he remarked. Applauding support of Hon'ble Prime Minister he said, after Gandhiji, our Prime Minister's support has taken Khadi's vision to the Global level, which could not have been possible otherwise.

Shri Saxena also appreciated Ms Preeta Verma, Chief Executive Officer, KVIC and all the offices' and official of KVIC for enormous support and positivity. Speaking further he urged all to work with dedication and fearlessly. “our actions will benefit the poor and help them

earn their bread and butter.” He reiterated.

Ms. Preeta Verma, CEO KVIC expressing her gratefulness to Chairman KVIC said that it is our privilege to work with a dynamic Chairman like him whose perseverance, and monumental achievements have taken KVIC to the great heights, like never before. His leadership and guidance has given new lease of life to KVIC. In this short span of five years Shri Saxena's vision and governance led to the start of several programmes that positively changed the role

placed by KVIC and gave it a new direction.

Under his able guidance, KVIC has achieved many milestones worth lauding like making Khadi not only a national but globally recognized fabric, augmenting self-sufficiency in the lives of our spinners and weavers, re-creating conversations about the Charkha among masses by setting steel and wooden charkha in different cities, innovations in production, introducing digital presence of Khadi products etc. His leadership resonates a promise of great things ahead and he will remain role model and an inspiration to many, she added.

Dr. Sanghamitra, CVO, KVIC also shared the dias during the occasion.

Earlier, Shri Guruprassana, Dy CEO Adm and HR welcomed the dignitaries present during the occasion and Shri Y.K.Baramatkar proposed the vote of thanks.

Shri Sanjeeb Roy, Director, Administration compered the programme.

KVIC Launches high quality Muslin fabric Masks for Diwali

Deck up the festive fervor this Diwali with Khadi's new face masks in an appealing combination of snow white and sparkling red. Keeping in view the Diwali festival, Khadi and Village Industries Commission (KVIC) has launched a Limited Edition of two-layered "Happy Diwali" printed face masks made of pure Muslin fabric, a high quality and ultra-fine cotton fabric handmade by traditional Khadi artisans of West Bengal.

Year special masks in the coming days.

The Muslin face masks have been developed following the overwhelming public response to two layers Khadi Cotton and three layers Silk masks. So far KVIC has sold over 18 lakh such face masks across the country in less than six months' time.

The Diwali Muslin face masks are priced nominally at Rs 75 a piece and are available for sale through the Khadi outlets in Delhi and online through KVIC's e-portal www.khadiindia.gov.in.

Like the other variants of Khadi face masks, the Muslin face masks too are skin-friendly, washable, reusable and bio-degradable and economical that suits all pockets. This face mask consists of two layers of pure white Muslin fabric. The sparkling red piping on the masks adds to the style quotient as it has been designed to gel with the festive attires.

KVIC Chairman Shri Vinai Kumar Saxena said the double-layered Diwali Face Masks has a small price but great value. It is another effort of the KVIC to protect people from pandemic while celebrating the festivals in style. "Apart from protecting people from the spread of

face masks look trendier. These Muslin fabric face masks has added variety to our range of face masks that also include Cotton and Silk masks. At the same time, this is creating additional employment for Khadi artisans," Saxena said.

This fabric has been chosen for manufacturing as it helps retain moisture content inside, while providing an easy passage for the air to pass through. What makes these masks more special is the hand-spun and hand-woven cotton fabric that is extremely soft on skin and is comfortable for long-duration use.

Despite Covid-19 Fear, Khadi India's Flagship CP Outlet Records sale of Rs. 1.02 crore on Gandhi Jayanti

The soaring spirit of Khadi lovers got better of the Covid-19 fear this Gandhi Jayanti with the Khadi sales figure crossing the Rs 1 crore mark at Delhi's flagship Khadi India outlet in Connaught Place.

On 2nd October, the overall sales of Khadi was recorded at Rs 1,02,19,496, which is significantly high given the prevailing Corona pandemic situation. Last year, the total sale at Khadi's CP outlet on October 2, stood at Rs 1.27 crore.

As many as 1633 bills were generated throughout the day with an average purchase of

Rs 6258 per bill. Customers belonging to different segments and age-groups queued at the Khadi India outlet since morning. Notably, Khadi and Village Industries Commission (KVIC) has also launched its customary annual special 20% discount on all products to celebrate 151st birth anniversary of Mahatma Gandhi.

KVIC Chairman Shri Vinai Kumar Saxena

attributed the massive sale figures to the frequent appeals of the Hon'ble Prime Minister to buy Khadi and also its growing popularity among masses particularly the youth. "Despite the Corona pandemic, a large number of people still came out to buy Khadi which is a result of the repeated appeals of the Hon'ble PM. Khadi has become a household

the country. “Empowering the marginalized potters’ community and reviving the dying art of pottery is the dream of the Hon’ble Prime Minister. With proper training and distribution of advanced equipment under Kumhar Sashaktikaran Yojana, the productivity and income of potters has increased manifold. The scheme will further be implemented in other remote areas of Maharashtra and other states,” Shri Gadkari said.

On this occasion, the Hon’ble Minister also interacted with some artisans who expressed happiness on receiving the government support. They said with increase in

production using electric potter wheel, they were now earning 3-4 times more than what they earned earlier.

KVIC Chairman Shri Vinai Kumar Saxena, who joined the Hon’ble Minister through video-conference, said that more than 18,000 electric chaaks have so far been distributed across the country benefiting nearly 80,000 people of the community. He said the average income of potters under Kumhar Sashaktikaran Yojana has gone up from nearly Rs 3000 per month to nearly Rs 10,000 per month. “Empowering every potter in the country is the sole objective of the program and KVIC will spare no effort in achieving this goal,” he said.

Vigilance Awareness week observed in KVIC

The Vigilance Awareness Week-2020 commenced this year by taking the pledge on 27th October in Central office and PAN India State and Divisional Offices. The Pledge was administered by Ms. Preeta Verma, CEO, KVIC and Dr. Sanghamitra, CVO, KVIC respectively

The week will be observed from 27th October to 2nd November, 2020 on the theme “Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India)”. To generate awareness various programmes will be organized during this period.

Covid 19 pledge administered at Central Office, KVIC

The Chief Executive Officer, Khadi and Village Industries Commission administered an oath to adopt sanitation and other protective standards against Covid -19 on 13th October 2020, following which oaths were also sworn in all the State and Divisional Offices of the Commission.

Kashmir.

PMTC Pampore

The activities are part of the 150 mega events organized by KVIC across the country to celebrate 151st Gandhi Jayanti. These activities are expected to create livelihood for over 500 people in the state.

Ganderbal

KVIC Chairman instructed the local KVIC officials to initiate the process for setting up two SFURTI clusters in Jammu & Kashmir for the embroidery work and for

making paper mache, the peculiar Kashmiri handmade paper product. He lauded the artisans of Jammu & Kashmir saying they had the capacity and the talent of producing some very unique products including pottery.

“Gandhi ji had always emphasized on empowering the Kashmiri people through Khadi. Our Hon'ble Prime Minister too has a special place for Kashmir in his heart and KVIC is working to fulfill this dream of the Prime Minister by creating sustainable employment opportunities in the state. Several art forms of Kashmir like Crewel and Sozni embroidery, Pashmina shawls, paper mache and its pottery are internationally acclaimed. By providing artisans proper training, advanced equipment and marketing platform, these products can definitely make them *aatmanirbhar*,” Saxena said.

A number of artisans including potters present on the occasion interacted with the KVIC Chairman and thanked him for providing them with the support they needed to earn a better livelihood. Mushtaq , a potter who was given an electric potter wheel by KVIC, said his work would be easier now with these equipment and that his daily production of clay material and his income would also increase significantly.

name and the number of Khadi lovers is constantly growing. And despite a manifold increase in production, KVIC has ensured highest quality of its product range that has kept our consumer base intact,” Saxena said. He added although the sale figure this year fell just short of the last year's mark because of the pandemic, the over Rs 1 crore single-day sale figure was still quite satisfactory.

The high sale figure of Khadi this year assumes greater significance. While almost all activities were closed during the Covid-19 lockdown, KVIC continued with its diverse activities across the country that includes the manufacturing of face masks and personal hygiene products like hand wash and hand sanitizers apart from a vast range of fabric and village industries products

Why Prime Minister Shri Narendra Modi is the “Idol” of Bihar's Potter Community?

Just two years ago, nobody had even thought that the marginalized potters' community in Bihar would have their day. However, the Khadi and Village Industries Commission (KVIC) launched an ambitious program “Kumhar Sashaktikaran Yojana” to empower the Kumhar community in Bihar.

It was the dream of none other than Hon'ble Prime Minister Shri Narendra Modi to empower the Kumhar community through modern technology and revive the dying art of pottery making in the country.

One such beneficiary of the program is Jai Shankar Pandit, a potter in Muzaffarpur district of Bihar who along with his father used to work earlier on stone chaak. A sea-change has, however, ushered in his life after he

received an electric potter wheel from KVIC. High productivity and higher income are all that he can boast of now. And the family has a unique way to express their gratitude to Prime Minister Modi who inspired the Kumhar Sashaktikaran Yojana of KVIC.

Jai Shankar is now making the idols of the Hon'ble Prime Minister and also earning a respectable livelihood by selling them in Bihar and West Bengal. While Pandit thanked the Hon'ble Prime Minister for empowering the potters' community in Bihar, he said his family could now earn a sustainable livelihood. He said it was the popularity of the Hon'ble Prime Minister that also prompted him to make his idols. “The idols of Modi ji are selling in good numbers and fetching me good price. So far I have sold 75-80 such idols at a rate of Rs 800 per piece,” Pandit said.

“Keeping in view the festive season and the ban on Chinese clay items by Modi Ji, I am also making idols of deities - Durga, Laxmi and Ganesh - and a variety of *deeya* and decorative items to reap maximum advantage,” he said. He particularly thanked the Prime Minister for providing better marketing avenues like making earthenware mandatory at various railway stations in Bihar.

Similar sentiments were expressed

by other potters in different parts of Bihar who were benefited by this scheme.

KVIC Chairman Shri Vinai Kumar Saxena said, “Empowerment of the marginalized potters' community is the dream of the Hon'ble Prime Minister and it is heartening to see potters like Jai Shankar expressing their gratitude to the Prime Minister in such a noble way.”

“Connecting the potters' community with the mainstream of society by increasing their production and income is the sole objective of Kumhar Sashaktikaran Yojana. The program has been currently suspended in Bihar due to the Model Code of Conduct but soon after the elections, the Mission will be restarted and spread to the remotest parts of Bihar empowering every potter family,” Saxena said.

In just two years KVIC has distribute 500 electric potter wheels to 500 potter families and empowered nearly 20,000 people in Bihar which is estimated to have the potters' population of nearly 10 lakh. KVIC has

distributed electric chaak to potters in districts like Rohtas, Bhojpur, Nawada, Samastipur, Muzaffarpur, Patna, East & west Champaran, Khagaria and Sitamarhi.

“The electric potter wheel has made pottery making quite easier. Working on old traditional chaaks required a lot of physical work but the electric chaak has taken away the drudgery from pottery making. The daily production has also gone up. Earlier, I could hardly make 100 to 150 deeya or Kulhar a day but on the electric chaak, I am making 500 to 600 deeya and Kulhar everyday,” Pandit said.

KVIC starts 11 more training programmes in J&K

KVIC officials inspecting craft works of trainees

STATE TIMES NEWS

SRIINAGAR: Continuing with its endeavour to provide trainings of various trades at doorsteps of far flung areas of J&K Union Territory, Khadi and Village Industries Commission (KVIC), Ministry of MSME, Government of India on Saturday started 11 training programmes on various trades both in Kashmir and Jammu regions of UT.

The Principal/Assistant Director PMTC Pampore said that in this connection Training Centre namely Production Cum Marketing Cum Training Centre (PMTC) of KVIC has

already started 25 training courses on various trades in UT and continuing with that today 11 more training programmes were started in Peshawar District of north Kashmir, Baramulla and Kupwara Districts of north Kashmir, besides Samba and Kathua Districts of Jammu region.

These trainings include computer training, shawl, awari work, crewel embroidery, silk embroidery etc. Most of the trainees are young girls who want to earn livelihood at their doorsteps.

These training programmes were inaugurated by State Director N.P. Khandelwal and Principal PMTC Pampore Anil Kumar Sharma through video conferencing.

Addressing the trainees, Khandelwal said that not only we will provide trainings at doorsteps, we will provide livelihood support under PMEGP scheme to these trainees. On the occasion while giving details about the campaigns, Anil Kumar Sharma, Principal/Assistant Director, PMTC, KVIC Pampore stated that as per the instructions of State Director KVIC J&K, this office has started schemes to train more than 1,000 persons of Kashmir Region in those traditional trades which are dying and needs revival. He said that State Director desired to revive these traditional trades so that the candidates may be benefited and they can earn their livelihood at their homes.

Khandelwal, who addressed the trainees via video conferencing from Jammu, stated that KVIC has many schemes through which we can provide benefits to the people.

खादी उत्पादनांवर २० टक्के सवलत

म. टा. प्रतिनिधी, मुंबई

खादी आणि ग्रामोद्योग आयोगाच्या वतीने मुंबईच्या मध्यवर्ती कार्यालयामध्ये शुक्रवारी, साडेतीन फुटांच्या स्टीलच्या चरख्याचे अनावरण करण्यात आले. गांधी जयंतीनिमित्त या कार्यक्रमाचे आयोजन करण्यात आले होते. यानिमित्ताने आयोगाच्या देशभरतील विभागीय चित्रा केंद्रावर विक्रीसाठी उपलब्ध करण्यात आलेल्या सर्व उत्पादनांवर (राष्ट्रीय ध्वज वगळता) मर्यादित कालावधीसाठी २० टक्के सवलत देण्यात आल्याचे जाहीर करण्यात आले.

खादी आणि ग्रामोद्योग आयोगाचे अध्यक्ष विनय कुमार सक्सेना यांनी वेब- कॉन्फरन्सच्या माध्यमातून या चरख्याचे अनावरण केले. 'चरखा म्हणजे भारताच्या स्वदेशी चळवळीचे प्रतीक आहे. पंतप्रधान नरेंद्र मोदी भारताला जागतिक स्तरावर अचल बनविण्यासाठी करत आहेत. आठ वर्षांमध्ये खादी व ग्रामोद्योगाने आर्थिक उलाढालीमध्ये ६.२८ टक्क्यांवरून २८ टक्क्यांपर्यंत झेप घेतली आहे, अशी माहिती सक्सेना यांनी दिली. आयोगाच्या वतीने गांधी जयंतीच्या पूर्वसंध्येला, गुरुवारी देशभरामध्ये विविध १५० उपक्रमांना प्रारंभ करण्यात आला आहे. यात खादीविक्री केंद्राचे उद्घाटन करण्यात आले असून कारागिरांच्या प्रशिक्षणाचा प्रारंभ करण्यात आला.

युवाओं के लिए प्रेरणा बन रहा बापू का चरखा

जयपुर मंडळ, नई दिल्ली कमीत कमी मिनी चरखा बांधण्याचा उद्योग करणे ही युवाओं की जयंती पर प्रेरणा बन रहा है। लॉन्चिंग के बाद पहले दिन पाँच घण्टे तक बापू का चरखा चल रहा है। लोगों ने कहा कि बापू जल्दी से लोगों के लिए प्रेरणा बनने दें और आज भी है। आज उनकी चरखा युवाओं को सलाह पर चलने को प्रेरणा दे रहा है। लोगों ने
