CIRCULAR

The products manufactured in the Khadi & V.I. Sector are having unique goodwill in the minds of public for its purity as well as its genuineness. In the aggressive advertising scenario as well as marketing trend, prevailing global competition, there is an urgent need to ensure quality products, as per specification of Bureau of Indian Standards(BIS), so as to attract and retain the customer base for our products.

2. In the era of customer awareness as well as active consumer grievances redressal mechanism, it is mandatory for all the manufacturers to abide by certain regulatory specifications earmarked for the products.
3. Hence, the following guidelines are reiterated for immediate compliance by all concerned:-

1. Manufacturers of Toilet Soap, Shampoo and Hair Oil are to obtain License from Food and Drugs Administration Authority since the products are covered under Drugs Cosmetics Act.
2. The License Number should be distinctly printed on the wrapper of the products.
3. It is also advised to make available the details about Ingredients, Date of manufacturing, Product's Net Weight, Nutrition Facts, Allergy's specifications, if any as well as directions for use to avoid any consumer's grievances in future.
4. KVIC has set up Quality Control Laboratory for testing the products of NEO Soap Industry as well as to guide the manufacturers to improve the quality of the products and the list of Laboratories are as under:-

1. Central Quality Control Laboratory
Dr. B. R. Ambedkar Institute of
