CIRCULAR

Sub : Aadhaar card link to PMEGP applicants

Policy directions have already been issued for incorporating Aadhaar card in the PMEGP application. This is required to bring in credible and authentic identification of the applicant and also to collect his/her profile and financial status.

2. In this regard, it is decided to also ensure that data relating to the PMEGP beneficiaries with Aadhaar card details is built up by the State Directors which could also be uploaded on PMEGP website. Since the Bank also have developed a system of acquiring the Aadhaar card numbers in respect of their account holders, the financing bank in the State may be requested to furnish the details to the concerned State/Divisional offices.

3. PMEGP beneficiaries may also be contacted in various forums like workshops, exhibitions etc for collection of Aadhaar Card number, physical verification agencies may also be asked to collect Aadhaar card numbers in respect of the PMEGP units being verified by them.

4. It may be once again reiterated that Aadhaar Card number should be invariably submitted by the PMEGP applicant in his/her application while applying for the scheme.
