Sub.: Clarification/modification in PMEGP guidelines on submitting  
EDP certificate in the Banks before release of loans-reg.

\*\*\*\*\*

To enable prompt disbursement of Margin Money claim and avoid delay in uploading EDP certificate in the online system, Ministry of MSME has revised the relevant guideline in the matter vide letter No. PMEGP/POLICY/3/2017 dated 24.04.2017.

The PMEGP guidelines Para 11.21 which is as under is revised:

"The applicant will deposit his own contribution and copy of EDP training certificate to the financing bank within 10 days, of receiving the communication of his sanction of loan".

2. Now, the PMEGP E-portal has made a provision for uploading the EDP training certificate by the concerned training institutes like RSETIS or KVIC/State agencies. The training institutes may upload the certificate on the day of its issue to the candidates and the Banks can access these certificates immediately.

3. In order to further expedite the process of release of margin money, a provision is added in clause 11.21 after the existing provision, providing that concerned training institutes will upload the EDP certificates on the PMEGP E-portal on the day of its issue to the candidates and the Banks can access these certificates immediately and accept the same for release of loan. The existing provisions may also be retained as in some cases the applicants undergo EDP trainings before applying for PEMGP. In such cases they can submit the EDP certificate in the Banks by themselves along-with their own contribution.

4. Therefore all State/Divisional offices, KVIC should note that concerned training institutes will upload the certificates on the PMEGP e-portal on the day of its issue to the candidates and the Banks can access these certificates immediately and accept the same for release of loan, instead of insisting the applicant to submit EDP certificate by themselves."
